

# CONSTRUCTION USE AND UTILITY EXTENSION PERMIT APPLICATION

OFFICIAL USE ONLY

Application Received Date:

Street Use Application Number:

**A permitted extension may encompass only the addition of time to an existing permitted use and impact to the Right of Way**

**An application to extend an existing permitted use must meet the following criteria:**

- The location, space and frontage of the impact must remain the same as previously permitted.
- The size of the impact to the right of way must remain the same as previously permitted.
- The use and type of the impact to the right of way must remain the same as previously permitted.
- Contact information must remain the same

If the requested scope of Right of Way impact does not qualify for a permitted extension, then a modification application is required.
